

# Our Mission

Our mission is to help families prepare children for life. We are concerned with nurturing our students' spiritual, moral, intellectual, emotional, physical and social growth. We provide a safe, caring environment where children can reach their full potential while deepening their Christian faith. We provide a comprehensive program that meets Diocesan and State of RI standards. We offer our students experiences to strengthen their Christian values, build community, foster awareness of the world around them, and help them to develop a genuine concern for peace and justice.
